

I would like to start out by saying thank you for allowing K-Love to be on the air. I am a resident in Oklahoma City and K-love is an important part of my daily walk with God and I am not sure what I would do without it. I listen approximately 10 hours a day and I am a financial supporter of K-Love as well.

I have gone through quite a few events in the past few years that I might not have been able to get through as easy if it weren't for the constant prayers of the K-Love staff, the uplifting music, and God's presence when I listen. I am spoken to through the words of the music on K-Love.

K-Love brings its listeners together from all over the world with the switch of a button. It announces local community gatherings to help us all fellowship with one another and has wonderful announcers who seem like part of my family now.

I think K-Love serves the public with great power. I see bumper stickers all over the city when I drive and its so encouraging to see and to hope that everyone listening experiences the same amount of joy as I do when they listen.

It is in all of our best interests to keep K-Love as is and on the air. It is an important part of doing what the bible commands "Spreading His Word".

Thank you,

Telina Everett
